Re: **Small Local Business Enterprise Program Registration**

Dear Mr. Vyas:

Congratulations! CV, Inc. has been accepted as a registered firm in the Washington Suburban Sanitary Commission's (WSSC) Small, Local Business Enterprise (SLBE) Program. Your firm has met the financial requirements pursuant to Article 29, Section 3-110 of the Annotated Code of Maryland, as well as the items attested to on your application. This registration is valid for a period of **two** years from your acceptance date of **10/3/2013**. It will be your responsibility to resubmit a Registration Application Form R and Registration Affidavit Form R (a) before the expiration date.

Washington Suburban Sanitary Commission ("WSSC") has launched a new supplier/vendor registration system. The WSSC Supplier Portal, which **replaces** the Centralized Bidder Registration (CBR) system, provides faster, more efficient service for doing business with WSSC. Businesses not yet registered in the new portal are encouraged to visit the WSSC Procurement page at wsscwater.com/contracts for registration information. A vendor must be registered in the WSSC Supplier Portal in order to do business with WSSC. That way you will continue to receive email alerts for Invitations for Bid (IFB) and Request for Proposals (RFP) based on the North American Industry Classification System (NAICS) codes that you selected on your application.

Please note that firms are not assigned individual SLBE registration numbers. You must submit a copy of this letter when responding to any WSSC proposals.

Any changes in ownership, financial status, address, email, or telephone number should be reported in writing immediately to:

Washington Suburban Sanitary Commission
Small Local and Minority Business Enterprise Office

Sincerely,

Towanda R. Livingston
